5, 2 Kent Court, Stuart Park

TRI-LEVEL TOWNHOUSE WITH GARAGE!

A rare find indeed - so much for your money! A secure lockup garage and storage space on the ground level. Stuart Park is definitely the place to be, it is one Property Investor Magazines Hot Spots for Darwin in 2009 and it is right next to the City, you can walk to town.

Not only will you appreciate the lockup garage, you will appreciate all the additional storage the garage has to offer once your car is securely locked away, plus you can step straight from the garage into your townhouse.

Up the stairway on the first level is the spacious fully air-conditioned open plan living space which features sliding doors opening out to the front verandah. The kitchen has been renovated and has its own split-system air-conditioner.

Up the stairway from the living space is the two bedrooms, both a very generous size and each air-conditioned and with built in robes. The bathroom is stylish featuring a quality vanity, and glassed shower recess, in addition there is a handy 2nd WC downstairs off the laundry.

The private rear courtyard garden is just the place to relax, it is partially paved with an all weather awning that protects the courtyard from the elements in both the Wet and Dry season.

You can't go wrong with this unique townhouse.
