## FAMILY HOME - ALREADY EXTENDED!

Failed sale - 2nd chance! No shortage of rooms here! Neat ground level home that will certainly appeal to the family looking for space. You will appreciate the location too. It's a short stroll from the Hibiscus Shopping Centre, and an easy drive to Casuarina Square, Charles Darwin University and the Royal Darwin Hospital.

In addition to the four bedrooms or three bedrooms plus a study there is a separate family room or home theatre with space for the largest TV. The family room has a sliding door out to the front of the house and heaps of louvre windows.

The roomy master suite comes with lots of built-in wardrobes and has a convenient ensuite. The main bathroom features a bath and a shower recess and the home is fully air-conditioned throughout.

A broad verandah runs the length of the home at the rear and the slate spa is securely fenced for safety.

In addition there is a double carport at the front with allows covered direct access to the house and there is a good sized storage/garden shed in the backyard.

Come along and have a look.
